Shakey Graves Announces Oklahoma City Tour Date

OKLAHOMA CITY (March 20, 2018) – Alejandro Rose-Garcia, known as Shakey Graves, embarks on his *Can't Wake Up* Tour this May in support of his newest album of the same name. Graves will play at Tower Theatre in Oklahoma City on Wednesday, June 27. Tickets go on sale Friday, March 23.

Graves latest Dualtone album, *Can't Wake Up*, drops Friday, May 4. This ambitious work veers from the inevitable to the revelatory, its thirteen songs teeming with jarring musical and thematic collisions and thrillingly seamless intersections, gnarly psychological hornswoggles and ecstatic resolutions. Central to the prevailing sense of disorientation are the lead vocals, none of which is purely solo.

Up to now, Graves been categorized as an Americana singer/songwriter, with traditionally rooted songs, fluent acoustic-guitar picking, Texas roots and cowboy hat. He was named Best Emerging Artist award at the 2015 Americana Music Awards. But that tag will undoubtedly be dismissed as restrictive and irrelevant once this radical new album gets digested by critics and discerning listeners.

Shakey Graves will play Wednesday, June 27 at Tower Theatre in Oklahoma City. Doors open at 7:00 p.m., show starts at 8:00 p.m. General admission tickets are \$25 in advance, balcony tickets are \$30. Tickets can be purchased by visiting www.towertheatreokc.com, calling 405-70-TOWER, or visiting a Tower Theatre Box Office, located at Citizens Bank of Edmond, Fowler Volkswagen of Norman and Tower Theatre.

Tower Theatre is Oklahoma City's most iconic, live music and movie venue, located at 425 NW 23rd Street in the historic Uptown 23rd District. For more information about upcoming events at Tower Theatre and to purchase tickets visit <http://www.towertheatreokc.com>.
